# @SENIORCLASSPOEM

Our class is different in many ways, we all have our opinion to say. Three of us got together to write this poem before we go our separate ways.

Abbie is slightly sassy, but she is always classy.

Late for class, but never frazzled Zach runs in rocking his socks and sandals.

When it comes to drawing cats, Kyle is a master but when he snorted fun dip, it ended in a disaster.

Joe is cool about anything you could inquire except for when his car is on fire.

Ashley didn't make it far but she's our American Idol star.

Austin is capable of many great feats like driving the wrong way down the one way streets.

If Dustin's not in the field, try the lake.

She's always happy and we appreciate Stephanie, our resident saint.

There is never a dull moment with Tim, our goofy Vice President.

If you make fun of Chase's sports he'll break your limb.

TJ lives his life on a whim.

Dacey loves riding horses all day.

Mariah enjoys letting her music play.

Madi's pride and joy are her two poodle pets.

When Shayna shoots, it's nothing but net.

You can always be sure to catch those two in sweats.

Kalee has great style that you can spot for miles.

Rachel is a wonderful aunt, in her athletic abilities, she is confidant.

When it comes to history Logan is your man, but who can quote movies from memory? Connor can.

Sami likes helping out at the preschool.

Gabby makes trumpets cool .

Kendal loves art which the wall does display. She also loves music which she takes part in every day.

Farewell, EHS. This is our last hurrah. This is our class, now we leave you in awe.
